## EXPLANATORY NOTE

On February 23, 2012, Proto Labs, Inc. (the “Company” or the “Registrant”) filed a Registration Statement on Form S-8 ([Registration No. 333-179651](#)) (the “Initial Registration Statement”) with the Securities and Exchange Commission (the “Commission”) to register 4,112,066 shares of the Company’s common stock, \$0.001 par value per share (the “Common Stock”), for issuance pursuant to the Company’s 2012 Long-Term Incentive Plan (the “2012 Plan”). The Company paid a registration fee of \$7,539.88 at that time to register the securities.

Subsequently, the Company filed two additional Registration Statements on Form S-8 with the Commission to register additional shares of Common Stock that became available for issuance under the 2012 Plan. Such additional Registration Statements’ file numbers, the date of filing with the Commission, the number of shares registered and the registration fee paid at the time were as follows: (i) [Registration No. 333-194272](#); March 3, 2014; 1,510,492 shares; \$15,425.98; and (ii) [Registration No. 333-202486](#); March 4, 2015; 775,143 shares; \$6,430.66. Such additional Registration Statements, along with the Initial Registration Statement, are referred to herein as the “Registration Statements.”

On August 29, 2022 (the “Approval Date”), the shareholders of the Company approved the Proto Labs, Inc. 2022 Long-Term Incentive Plan (the “2022 Plan”). The total number of shares of Common Stock for which awards may be granted under the 2022 Plan includes (i) 1,236,000 new shares of Common Stock (registered concurrently on a new Registration Statement on Form S-8) and (ii) up to 494,485 shares of Common Stock subject to awards granted under the 2012 Plan that are outstanding on the Approval Date that subsequently are cancelled, expire or are forfeited or are settled for cash (the “Carryover Shares”).

Accordingly, pursuant to the undertaking in Item 512(a)(1)(iii) of Regulation S-K that the Company disclose a material change in the plan of distribution as it was originally disclosed in the Registration Statements, the Company is filing this Post-Effective Amendment No. 1 to the Registration Statements to reflect that, as of the Approval Date, the Carryover Shares may be issued under the 2022 Plan and to file as an exhibit hereto a copy of the 2022 Plan. This Post-Effective Amendment No. 1 to the Registration Statements amends and supplements the items listed below. All other items of the Registration Statements are incorporated herein by reference without change.

**Item 6. Indemnification of Directors and Officers.**

The Company is subject to Minnesota Statutes Chapter 302A, the Minnesota Business Corporation Act (the “Corporation Act”). Section 302A.521 of the Corporation Act provides in substance that, unless prohibited by its articles of incorporation or bylaws, a corporation must indemnify a person, including an officer or director, who is made or threatened to be made a party to a proceeding by reason of the former or present official capacity of the person against judgments, penalties, fines, including, without limitation, excise taxes assessed against the person with respect to an employee benefit plan, settlements, and reasonable expenses, including attorneys’ fees and disbursements, incurred by such person in connection with the proceeding, if certain criteria are met. These criteria, all of which must be met by the person seeking indemnification, are (a) that such person has not been indemnified by another organization or employee benefit plan for the same judgments, penalties, fines, including, without limitation, excise taxes assessed against the person with respect to an employee benefit plan, settlements, and reasonable expenses, including attorneys’ fees and disbursements, incurred by the person in connection with the proceeding with respect to the same acts or omissions; (b) that such person must have acted in good faith; (c) that no improper personal benefit was obtained by such person and such person satisfied certain statutory conflicts of interest provisions, if applicable; (d) that in the case of a criminal proceeding, such person had no reasonable cause to believe that the conduct was unlawful; and (e) that, in the case of acts or omissions occurring in such person’s performance in an official capacity, such person must have acted in a manner such person reasonably believed was in the best interests of the corporation or, in certain limited circumstances, not opposed to the best interests of the corporation. In addition, Section 302A.521, subd. 3 requires payment by the Company, upon written request, of reasonable expenses in advance of final disposition in certain instances. A decision as to required indemnification is made by a majority of the disinterested board of directors present at a meeting at which a disinterested quorum is present, or by a designated committee of disinterested directors, by special legal counsel, by the disinterested shareholders, or by a court.

The Company also maintains a director and officer insurance policy to cover the registrant, its directors and its officers against certain liabilities.

**Item 9. Undertakings.**

(a) The Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

*provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement; and

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Board of Directors  
Proto Labs, Inc.  
5540 Pioneer Creek Drive  
Maple Plain, MN 55359

Ladies and Gentlemen:

We have acted as counsel to Proto Labs, Inc., a Minnesota corporation (the "Company"), in connection with the preparation and filing with the Securities and Exchange Commission (the "Commission") of the Post-Effective Amendment No. 1 (the "Amendment") to each of the Company's: Registration Statement on Form S-8 filed with the Commission on February 23, 2012 (Registration No. 333-179651) (the "2012 Registration Statement"), Registration Statement on Form S-8 filed with the Commission on March 3, 2014 (Registration No. 333-194272) (the "2014 Registration Statement"), and Registration Statement on Form S-8 filed with the Commission on March 4, 2015 (Registration No. 333-202486) (the "2015 Registration Statement," and, together with the 2012 Registration Statement and the 2014 Registration Statement, the "Registration Statements") under the Securities Act of 1933, as amended (the "Act").

The 2012 Registration Statement registered 4,112,066 shares of the Company's common stock, par value \$0.001 per share (the "Common Stock"), reserved for issuance pursuant to the Proto Labs, Inc. 2012 Long-Term Incentive Plan (the "2012 Plan"). The 2014 Registration Statement registered an additional 1,510,492 shares of the Company's Common Stock reserved for issuance pursuant to the 2012 Plan and the 2015 Registration Statement registered an additional 775,143 shares of the Company's Common Stock reserved for issuance pursuant to the 2012 Plan.

The Amendment reflects that, pursuant to the terms of the Proto Labs, Inc. 2022 Long-Term Incentive Plan (the "2022 Plan"), which was approved by the Company's shareholders on August 29, 2022 (the "Effective Date"), the number of shares of the Company's Common Stock for which awards may be granted under the 2022 Plan includes up to 494,485 shares of the Company's Common Stock subject to awards granted under the 2012 Plan that are outstanding on the Effective Date that subsequently are cancelled, expire or are forfeited or are settled for cash (the "Carryover Shares").

For purposes of this opinion letter, we have examined the 2012 Plan, the 2022 Plan, the Registration Statements, the Amendment, the amended and restated articles of incorporation of the Company, as currently in effect, the amended and restated by-laws of the Company, as currently in effect, and the resolutions of the Company's board of directors authorizing the issuance of the Carryover Shares. We have also examined a certificate of the Secretary of the Company dated the date hereof (the "Certificate") and originals, or copies certified or otherwise authenticated to our satisfaction, of such corporate records and other records, agreements, instruments, certificates of public officials and documents as we have deemed necessary as a basis for the opinions hereinafter expressed and have reviewed such matters of law as we have deemed relevant hereto. As to facts material to this opinion letter, we have relied upon certificates, statements or representations of public officials, of officers and representatives of the Company (including the Certificate) and of others, without any independent verification thereof.

---

In our examination, we have assumed: (i) the legal capacity of all natural persons; (ii) the genuineness of all signatures, including electronic signatures; (iii) the authenticity of all documents submitted to us as originals; (iv) the conformity to original documents of all documents submitted to us as certified, conformed, photostatic or facsimile copies; (v) the authenticity of the originals of such latter documents; (vi) the truth, accuracy and completeness of the information, representations and warranties contained in the agreements, documents, instruments, certificates and records we have reviewed; and (vii) the absence of any undisclosed modifications to the agreements and instruments reviewed by us.

Based upon and subject to the foregoing and the other qualifications, assumptions and limitations set forth herein, it is our opinion that all necessary corporate action on the part of the Company has been taken to authorize the issuance and sale of the Carryover Shares to be issued in accordance with the 2022 Plan and that, when (a) the Amendment shall have become effective, (b) the Carryover Shares have been issued and sold as contemplated in the Amendment and related prospectus and in accordance with the 2022 Plan and any applicable award agreement, and (c) where applicable, the consideration for the Carryover Shares specified in the 2022 Plan and any applicable award agreement has been received by the Company, the Carryover Shares will be legally and validly issued, fully paid and nonassessable.

We are admitted to the practice of law in the State of Minnesota and the foregoing opinions are limited to the laws of that state.

This opinion letter speaks only as of the date the Amendment becomes effective under the Act, and we assume no obligation to revise or supplement this opinion letter thereafter. This opinion letter is limited to the specific issues addressed herein, and no opinion may be inferred or implied beyond that expressly stated herein.

We hereby consent to the filing of this opinion letter as an exhibit to the Amendment. In giving such consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission thereunder.

Very truly yours,
